Change of Venue

The Annual Junalusks' July Social is at 10 am, July 3rd at the newly completed Warren Center. This social is in lieu of our monthly Junalusks meeting. Members are asked to bring finger foods to share. Coffee will be provided.

During the social there will be an opportunity to tour the fabulous Warren Center - something we've all been looking forward to!

Following the meeting is the Independence Day flotilla. Always fun to watch and even more fun to enter. Come join all the fun at the Lake Junaluska Independence Day Celebration. There are many wonderful and fun activities planned. It's going to be very special this year!

Crepe & Craft

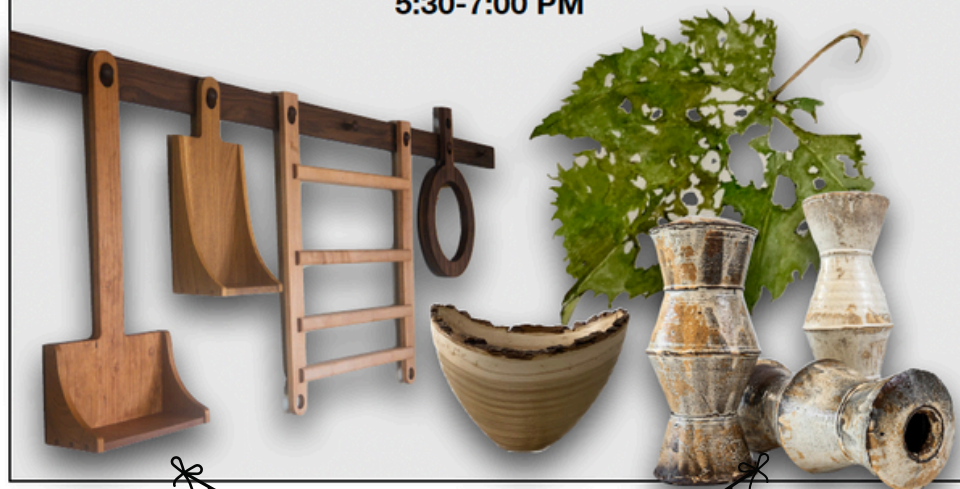

Join us for a unique opportunity with Gallery 164 where artist will display and discuss their creative process.

SPRING SOCIAL

The rain couldn't stop the fun at the annual Junaluskans' Spring Social on June 5th. Thank you to all who helped with table decorations, food, props, cars, and FUN! No injuries occurred from the limbo contest but sides were sore from all the laughter! Who knew you could have such a fun beach party with no sand! Enjoy the pics!

EARNED FOR GARDENS, ACTIVITIES, AND PROGRAMS HERE AT THE LAKE.

If you helped publicize by “spreading the word” about the sale, donated items, volunteered to work, or made a purchase, then you were a big part of the FLEA MARKET TEAM. We cannot say enough about the volunteers - you were so willing to do anything that needed to be done. The amount of talking, laughing and wonderful fellowship was amazing. THANK YOU ALL!!! We’ll see each other ‘around the lake’.

Grand Opening of the Warren Center

July marks the grand opening of the new **Warren Center and Musgrave Event Lawn** here at Lake Junaluska. The anticipation surrounding grand openings embodies a culmination of countless efforts and dreams. Witnessing the completion of construction is a moment steeped in excitement and accomplishment, where what were once mere blueprints and designs now stand as tangible structures, breathing life into aspirations of ongoing ministry and transforming lives. For those involved – from architects to builders, visionaries and charitable supporters – it signifies the realization of their collective creativity and perseverance. Each detail meticulously crafted and each hurdle overcome, the grand opening is not just an event but a celebration of innovation and dedication. It symbolizes a new beginning, inviting others to share the joy of dreams made real and possibilities brought to fruition.

The Warren Center includes 3,372 square feet of meeting/function space and can accommodate groups ranging from 50 to 200 participants. A catering kitchen has been added to the building, allowing banquets and meals to easily be served and enabling table fellowship and the kind of relationships that can only be made by breaking bread together. The Musgrave Event Lawn, located between the Chrissy Hill Scenic Overlook/The Terrace Hotel and Warren Center, is 2,900 square feet of breathtaking outdoor

space with awe-inspiring views and enough room for outdoor receptions or weddings of up to 200 or more.

We look forward to seeing you at the Warren Center on July 3rd for the annual Junaluska social gathering and on July 7th, the Warren Center will host the Lake Junaluska Assembly Property Owners Organization (LJAPOO). Throughout the rest of the month, the space will welcome groups ranging from The Southeastern Jurisdiction of the United Methodist Church to two wedding receptions.

Thank you for your ongoing support and abundant generosity. Together we assure that every day Lake Junaluska is a place of Christian hospitality where lives are transformed through renewal of soul, mind and body.

Yours in Christ, Ken Howle
